SHAPING SUMMER COLLARS

The popular collar, for warm weather wear, is the low, turn down style. This kind of collar is one that we have given a great deal of attention to, in regard to its proper ironing and shaping, to insure a well setting, easy to wear collar. The process which we use for this work from the collar smoothly upon both side, dampens the fold before turning the collar, from the edge smooth and folds and shapes the collar perfectly. You will like the work we do upon your collars.

SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months. I cannot tell you how I suffered with my head, and with nervousness and womanly troubles.

Our family doctor told my husband he could not do me any good, and he had to give up. We tried another doctor, but he did not help me.

Our mother advised me to get a Cardui, her women's tonic. I thought it was too late for it, but I bought one and took it for a week. I felt better. I took seven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health.

If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.

All druggists.

Write to: Chas. J. Cardui Co., Ladies' Health Dept., Chattanooga, Tenn., for Special Literature and your own bottle of Cardui. Treatment of Women, in plain English. B.C. 135

HISTORY ATTACHED
BARNUM AND BAILEY

BIG CIRCUS WILL VISIT ANDERSON, FRIDAY OCTOBER 22

STREET PARADE

In the Forenoon and Big Open Air Spectacle, Wonder of the Age.

The billboards and dead walls about the city are announcing in all the eloquence of pictorial art that the Barnum and Bailey Greatest show on earth is to visit Anderson on Friday, October 22. Great interest attaches to the event because it is again the policy of this foremost circus to present a street parade in the forenoon. Their new open air spectacle is the wonder of the age. It cost the management over \$1,000,000.

The history of the Barnum and Bailey show is part of the history of America. With the stalwart P. T. Barnum as its originator and its wonderful achievements perpetuated by James A. Bailey, the management has ever maintained a standard approached by no other show. Barnum was the pioneer of all great arena events. In his day his genius for big things was far in advance even of the present age. He perfected the system which makes the circus of now a possibility.

This is the only circus whose tours cover the entire world. There is not a land so remote but the management has an agent there. There is not a city of any size in any country but this show at some time during its fifty-five years' existence has spread its fourteen acres of tents there. With the advantage of this foreign prestige, the entire world has become its storehouse. Nothing is out of its reach.

This year's program is one of unusual interest even for this circus. It embraces all the European talent of the last winter season. The management has been increased and the new parade is an exposition of the world's curios. The performance is given under the largest canvas ever erected. Beneath it are seats for 15,000 persons, three rings, two stages, a vast hippodrome track and an aerial cage filled with a bewildering labyrinth of apparatus. The circus employs 1,500 people, 1,230 of whom travel with the organization. There are 700 horses, 40 elephants and 1,200 other animals. The train upon which it travels is more than a mile long and is divided into five sections. The regular performance is introduced this season by a spectacular pageant, entitled "Lalla Rookh" which is more gorgeous and interesting than those of the past.

Two Children Had Croup.
The two children of J. W. Nix, merchant, Cleveland, Ga., had croup last winter. One was a boy of 6, the other a girl of 8 years. Mr. Nix writes: "Both got so choked up they could hardly breathe and couldn't talk. I gave them Foley's Honey and Tar and nothing else and it entirely cured them." This reliable medicine should be in every home for it gives immediate relief from colds, coughs and croup, heals raw inflamed throat and loosens phlegm. Sold everywhere.

Over the Prayer Rug.
Mrs. Watkins was entertaining some week-end guests not long ago, when they were startled by a commotion in the hall. "Gracious! What's that awful language down stairs?" whispered one of the guests in a frightened tone. "Don't be alarmed, my dear," replied the hostess. "It's my husband. He's come in late and fallen over the new Persian prayer rug."—Philadelphia Record.

When Baby Has the Croup.
When a mother is awakened from sound sleep to find her child who has gone to bed apparently in the best of health struggling for breath, she is naturally alarmed. Yet if she can keep her presence of mind and give Chamberlain's Cough Remedy every ten minutes until vomiting is produced, quick relief will follow and the child will drop to sleep to awaken in the morning as well as ever. This remedy has been in use for many years with uniform success. For sale by all dealers.

Chamberlain's Cough Remedy.
"Last winter I used a bottle of Chamberlain's Cough Remedy for a bad bronchial cough. I felt its beneficial effect immediately and before I had finished the bottle I was cured. I never tire of recommending this remedy to my friends," writes Mrs. William Bright, Ft. Wayne, Ind. For sale by all dealers.

Whose Laugh Lasts.
"After all," said Kewer, "it's a true saying that he laughs best who laughs last."
"Not at all," replied Wise. "The really true saying is 'he laughs best whose laugh lasts.'"

Chronic Constipation.
"About two years ago when I began using Chamberlain's Tablets I had been suffering for some time with stomach trouble and chronic constipation. My condition improved rapidly through the use of these tablets. Since taking four or five bottles of them my health has been fine," writes Mrs. John Newton, Irving, N. Y. For sale by all dealers.

FIRST APPEARANCE AT ANDERSON LAST NIGHT

Norene St. Clair Stock Company
Played to Thoroughly Appreciative Audience.

The Norene St. Clair Stock company made its first appearance this week and also opened the Anderson theatre this season last night, when "A Daughter of the People," a drama in four acts was presented. The audience was splendid, considering the heavy downpour of rain, and they seemed to thoroughly enjoy the play, the encore being loud and prolonged.

Mr. Pollock as Norman Ware, was splendid and played his part to perfection. Miss Summers, as M'Dill's Hertha von Eberstein, deserves especial mention. Her work was that of a real little actress, who knows her part and plays it—plays it in such a way that the audience can appreciate it and also appreciate her. Her role last night put much life into the performance and she alone will be a drawing card this week.

It would be unfair to criticize the play unless the specialities were also mentioned. These were by Lep Meyer, Summers and Emole and "The Harmony Four," all of which were delightfully entertaining. Especially does the quartette, composed of Mr. Murray, soprano; Mr. Pollock, bass; Mr. Foster, tenor and Mr. Meyer, baritone, deserve comment. Their singing was very much enjoyed and was favorably received.

Manager Trowbridge announced last night that he would have three special matinees this week, Wednesday, Friday and Saturday afternoons. Tonight the company presents "The Boss," in four acts.

The following program was carried out last night:

The Characters.

HOPEWELL NEWS

Hopewell Sunday school observed state mission day yesterday. All the exercises and songs were fine. There were one hundred and fifty present and only two that didn't belong to the community. We got \$7.00 collection and \$29.00 pledged, making a total of \$36.00 for State Missions in the Sunday school.

The school at this place opened September 20th with a good attendance.

Miss Mollie Welborne will leave this week to accept a school near Savannah.

Mrs. John Moseley is visiting relatives in Honea Path.

The Baptist church has again elected Rev. O. L. Martin as pastor and Prof. L. M. Mahaffey superintendent of the Sunday school.

Some of the farmers in this section have good crops. With the present price they will be in good shape. There is a lot of fine hay in this section but it is going to be hard to save it.

Many are sowing oats and making syrup. If we don't have much money we will have something to eat.

Mrs. James Trayburn is confined to her bed with a nervous attack.

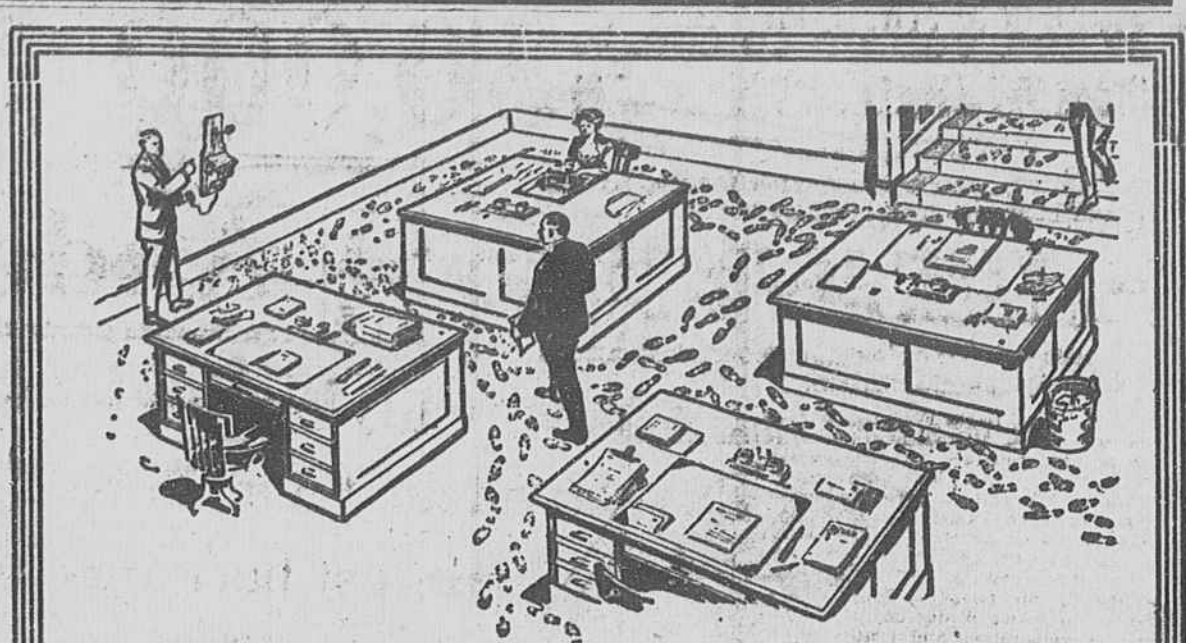

The ladies of the church are all requested to meet at Mrs. Annie Watson's home on next Saturday afternoon to bring cloth and garments to clothe the four children of Mr. John Kishinsky, who has been so sorely affected for so long. We hope every one will come with garments, cloth and provisions, for they need our assistance.

Miss Edna Lewis of Baltimore visited Miss Elsie Thompson Saturday.

DON'T SCOLD, MOTHER! THE CROSS CHILD IS BILIOUS, FEVERISH

Look at tongue! If coated, clean little stomach, liver, bowels.

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomachache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the sour waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again.

Children love this harmless, non-taxative, and mothers can rest easy after giving it, because it never fails to make their little "insides" clear and sweet.

Keep it handy, Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeits sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.

For indigestion. Never take pepsin and preparations containing pepsin or other digestive ferments for indigestion, as the more you take the more you will have to take. What is needed is a tonic like Chamberlain's Tablets that will enable the stomach to perform its functions naturally. For sale by all dealers.

Mathematical Problem

If one insertion of a "Lost" ad for \$26.00 recovers \$13.00, how many insertions will it take to get the other thirteen dollars

???

The following "Lost" ad appeared in THE INTELLIGENCER only Friday morning, and by nine o'clock that same morning a negro man called on Mr. Myers, stating that he had found the thirteen dollars in front of the Southern Public Utilities Co., and seeing the ad in The Intelligencer he returned the money.

Of course Mr. and Mrs. Myers are very glad to get thirteen dollars returned but they are puzzled to know how the money, which was all in bills, all folded together could have been lost so that only thirteen dollars was found. The same little "Lost" ad appears again today in the hope of securing the other thirteen dollars lost Thursday.
